

## Year Reception Summer 1 Newsletter 2023

### Meet the Team

**RA Teacher - Mr C. Currie**

**Additional Teacher – Miss S. Ahmed**

### Teaching Assistants:

Mrs Anwar  
Teaching Assistant

Mrs Nadeem  
Teaching Assistant

Mrs Jannath  
Teaching Assistant

### Topic Overview & Key Text

#### On the Way Home

This is a story all about a little girl's journey as she walks home. We will learn the story off by heart and think carefully about the themes in the story.

We will use the story to help us to learn about the different animals that appear such as snakes.

#### Maths

We will continue thinking carefully about how numbers to 10 are made up. We will remember some addition facts which are also called number bonds. i.e.  $5+5=10$

We will learn double facts and continue investigating odd and even numbers.

Please see the 'Reception Long Term Plan' on our website for a full list of maths concepts that will be taught this year.

### Writing

We will also be practicing writing simple sentences that can be read by others. We will all learn how to 'hold a sentence' as we try to write all of the words that we can hear in our sentence.

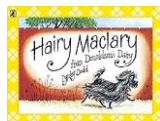

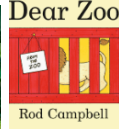

We will use these skills to write fact files about different animals in the story.

### Reading

The children will continue learning how to read words with 'special friends' – digraphs as well as treading short sentences and captions. Help your child at home by reading with them every evening for at least ten minutes.

Please remember the tips that we shared in the parent workshop in March.

### Linked texts we will be reading

### Homework

Your child will take home a book that they can read to you. This book will be changed each week.

### Uniform

Please can parents make sure that children are wearing their full school uniform and to make sure they aren't wearing any jewellery in school.

Thank you
