

St Chrysostom's Newsletter
October 2020

Dear Parents and Carers,

As you are aware, we are currently running our school in year group `bubbles`. Each year group learn and play together. This is one of our measures that we use to reduce the spread of infection.

Remote Learning

In the event of a `bubble` shutdown, we will inform you as soon as possible; by text and by letter. Children will access daily remote learning with their teachers.

I would like to thank all our parents for their support when a `bubble` has shut down. I have joined a couple of online sessions and it was encouraging to see our children engaging in home learning. We value the support of our parents during these challenging times.

Facemasks

We ask that parents who come onto our school grounds wear a facemask when they drop off or collect their child. Thank you for your continued support regarding this matter.

Poetry Day

On Thursday 1st October, it is National Poetry Day. Poetry is a form of expression. Poetry for children captures the essence of childhood: the fun, the laughter, the hope, and the inquisitive nature of exploring their world. Exposing children to poetry early is a great way to build reading skills and a love for poetry. Children will learn new words, practice reading aloud with expression, and be exposed to rhymes. Children's poetry makes reading fun, which will ignite a passion for the spoken and written word.

Children will be encouraged to read and write poems to celebrate this day. I look forward to seeing their work!

School Council

We are currently in the process of electing our new school council representatives. I will keep update you soon of our elected members.

Thank you again for your ongoing support. All staff appreciate and value your efforts.

Yours sincerely

Mrs Dean
