Minutes:

- Councillors who went to the 'Voicebox' conferencing event told us what they had learned at the event. This led to a conversation about being a healthy school.
- Are we a healthy school? Yes because we have fruit in KS1. No because some people's packed lunches are not healthy.
- We would also like to look at getting fruit for KS2 and introducing more exercise to our daily routines.
- We would like to run a competition to create a healthy lunch box ideas booklet which includes fillings for sandwiches/wraps, savoury snacks and sweets snacks.
- Each key stage will be in charge of creating recipes for each of these themes.
- We will lead an assembly to promote the competition - an email has been sent to Mrs Dean.
- Councillors will speak to their class teachers to see whether they will do their entries in class or at home.
- Councillors also mentioned re-introducing peer-mediators and timetables for the new outdoor equipment.
- Well done councillors!
