1. We discussed our own wellbeing and how we felt at home/in school. Most of us feel ok but miss our friends and teachers. Some of us are a bit bored at home.

2. We discussed ideas for how to record how other children felt. We decided that we would like to have a discussion and came up with a questionnaire to focus our discussion.

3. We discussed: wellbeing warriors – Meerab and Mekhi told us what they are and what they will be doing when back in school. Action: Design a logo for a badge.
